Folktales are a kind of story that gets passed on from generation to generation. True folktales do not have a single author. They develop as different people tell them over time. As such, they are creations of “the folk,” or the people. Many folktales are very old. For generations the tales were spoken aloud and never written down.

Symbolism (arts) - Wikipedia
Symbolism was a late 19th-century art movement of French, Russian and Belgian origin in poetry and other arts seeking to represent absolute truths symbolically through language and metaphorical images, mainly as a reaction against naturalism and realism. In literature, the style originates with the 1857 publication of Charles Baudelaire’s Les Fleurs du mal.
