Introduction to Modern Theology John E. Wiliams 2007-04-01 Surveying important nineteenth and early-twentieth century theologians, primarily in the German tradition, John Williams provides a thorough introduction to modern theology and those whose work helped it to rise to a new era in Christian theology. Beginning with Immanuel Kant and moving into the present time, Wiliams describes the formative work of a number of theologians such as corridor of Schleiermacher, Albert Schweitzer, Emil Brunner, Nicholas Kirk, and Ernst Buschor. In his day, he is among the leaders of thought to the present day, who have postulated influence on contemporary theology in both early church, the Middle Ages, Reformations, and post-Reformations era, and into the modern period. The text includes a generous mix of primary source material as well, citing the words of Cyprian, Augustine, Aquinas, Luther, Calvin, Barth, and others. All references the most accessible editions of these notable theologians' work so that readers can continue their study of modern theology through Christian history's most important contributors. Evangelical Theology is a superb resource for those familiar with Wayne Grudem's Systematic Theology or interested in understanding the development of Christian theology.

Historical Theology Greg Aamon 2011-04-19 Most historical theology texts follow Christian beliefs chronologically, discussing notable doctrinal developments for all areas of theology according to their historical appearance. And while this may be good history, it can make for confusing theology, with the classic theological locus scattered throughout various time periods, and controversies. In Historical Theology, Greg Aamon offers the student the opportunity to study the development of theology according to a logical theological arrangement, setting out the history of Christian doctrine in an easy-to-follow manner, rather than in the Middle Ages, Reformations, and post-Reformations era, and into the modern period. The text includes a generous mix of primary source material as well, citing the words of Cyprian, Augustine, Aquinas, Luther, Calvin, Barth, and others. All references the most accessible editions of these notable theologians' work so that readers can continue their study of modern theology through Christian history's most important contributors.
