Jewish religious movements - Wikipedia
Jewish religious movements, sometimes called "denominations", include different groups which have developed among Jews from ancient times. Today, the main division is between the "traditional" branches of Judaism (Orthodox and Conservative) and the more modern Reform, with several smaller movements alongside each. This structure is mainly present in the United States and United Kingdom; in

Jewish Christian - Wikipedia
Christianity arose in the syncretistic Hellenistic world of the first century CE, which was dominated by Roman law and Greek culture. Hellenistic culture had a profound impact on the customs and practices of Jews, both in the Land of Israel and in the Diaspora. The inroads into Judaism gave rise to Hellenistic Judaism in the Jewish diaspora which sought to establish a Hebraic-Jewish religious
Aztec religion | Description, Practices, Beliefs, & Facts
Aztec religion, the religion followed by the Aztecs, a Nahuatl-speaking people who ruled a large empire in central and southern Mexico in the 15th and early 16th centuries. Aztec religion was syncretistic, absorbing elements from many other Mesoamerican cultures. At base, it shared many of the cosmological beliefs of earlier peoples, notably the Maya, such as that the present earth was the

Alevismo - Wikipedia
Gli aleviti (in turco Alevilik) sono un gruppo religioso e culturale presente in Turchia che conta circa dieci milioni di membri. L'alevismo è considerato una delle molte sette dell'islam. Nonostante ciò, i riti degli aleviti si svolgono in case assembleari (cemevi), piuttosto che nelle moschee. La cerimonia (âyîn-i cem, o semplicemente cem), include musica e danza (semah).
Initiation: in religious ethnology it is the cognitive and/or experiential journey whereby a person is admitted, either alone or as part of a group, by means of particular rituals to membership of a religious community, a secret society (e.g. Freemasonry) or a mystery association (magical, esoteric-occult, gnostic, theosophical etc.).

Even our knowledge of how adequately religious communities of the past managed to educate and explain the emergence of "home-spun" heresies nor the persistence of folk or syncretistic religious communities in the Near East.

The process of sainthood-making is usually analysed in connection with the notion of popular religion. However doctrine of the specialists as opposed to the ordinary lives and grand schemes: an anthropology of everyday religion

The GLOBAL ETHIC is not a new religion but a set of common moral values and ethical that a ‘unification’ of them would be meaningless, a distasteful syncretistic cocktail.” As
