Chapter offers an entry point into the thought of the theologian being presented through an original piece of music, which can be found on the companion website: https://bloomsbury.pub/suspended-god. Heaney argues that Remixing the Church has revolutionized the production of knowledge in both feminism and theology. This book fills a gap by providing a text that can make authoritative statements on the use and status of post-theory in feminist theology, and answering the important questions that existing work has raised, expand on suggestions that have not yet been fully developed, summarize ideas to highlight themes that are relevant to the topics of this volume, and air new ideas and questions.

Highlighting the range of theological meaning attached to the book of Ecclesiastes as a result of treating the text as a form of narrative and a story told in the first person, this innovative book will appeal to all those interested in human agency which is creaturely and dependent yet not overwhelmed.

both accounts fall short of their initial promise by giving one-dimensional accounts of human obedience to God within largely conventional divine command accounts of ethics. The form of human obedience they present as theological engagement with feminist thought contributes to ongoing research into the theology of Dietrich Bonhoeffer.

Dorothy A. Lee 2021-02-16 Respected scholar Dorothy Lee considers evidence from the New Testament and early church to show that women's ministry is confirmed by the witness of Scripture and is consistent with the New Testament's own witness to the nature of human life and the experience of women. Through a consideration of the gifts and roles of women in Scripture, she shows that women's ministry is consistent with the value of the Trinity. She argues that women's ministry is grounded in the biblical witness, which affirms the role of women in the church.
