A Companion of Feminisms for Digital Design and Spherology Amanda Windle 2018-12-13 This book questions if spherology is a philosophy for designers, giving guidance on ways to read Spheres, how to approach the trilogy’s indexicality, and apply the key tropes and ethics of atmospheres to digital design. Each chapter includes a design-in, that is a practical entry point into the many tropes of Spheres including—bubbles, globes and foam. The book also applies spherology to an atmosphere design issue involving endangered species and geospatial threats to the environment. Spherology refers to the Spheres trilogy by the philosopher Peter Sloterdijk, which traces spherical ideas, theories, sensations and feelings related to the philosophical concept of ‘being’ and the human-centered position of ‘being-in’. It is the first cynical, feminist companion of spherology to take a practice-led approach and to cover all three controversial volumes to with and against Spheres. Windle draws on feminist science and technology studies (STS) through parody within reading, writing and design practices. Design provides navigation so that academics and students can engage with spherology through an embodied concern with digital materiality. As a feminist companion for today’s design issues, the book is an essential read for feminist STS scholars, design practitioners and digital R&D specialists working both in industry and academia, including more specifically data visualisers, interface and interaction designers.

Nineteen Eighty-Four George Orwell 2021-01-09 "Nineteen Eighty-Four: A Novel", often published as “1984”, is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematicallly, "Nineteen Eighty-Four“ centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania.

**Being Brought from Africa to America – The Best of Phillis Wheatley**

Phillis Wheatley 2020-07-31 Phillis Wheatley (c. 1753–1784) was an American freed slave and poet who wrote the first book of poetry by an African-American. Sold into a slavery in West Africa at the age of around seven, she was taken to North America where she served the Wheatley family of Boston. Phillis was tutored in reading and writing by Mary, the Wheatleys’ 18-year-old daughter, and was reading Latin and Greek classics from the age of twelve. Encouraged by the progressive Wheatleys who recognised her incredible literary talent, she wrote “To the University of Cambridge” when she was 14 and by 20 had found patronage in the form of Selina Hastings, Countess of Huntingdon. Her works garnered acclaim in both England and the colonies and she became the first African American to make a living as a poet. This volume contains a collection of Wheatley’s best poetry, including the titular poem “Being Brought from Africa to America”. Contents include: “Phillis Wheatley”, “Phillis Wheatley by Benjamin Brawley”, “To Maecenas”, “On Virtue”, “To the University of Cambridge”, “To the King’s Most Excellent Majesty”, “On Being Brought from Africa to America”, “On the Death of the Rev. Dr. Sewell”, “On the Death of the Rev. Mr. George Whitefield”, etc. Ragged Hand is proudly publishing this brand new collection of classic poetry with a specially-commissioned biography of the author. 

**Poems, Protest, and a Dream**

Juana Inés de la Cruz 1997-03-01 A bilingual edition of writings by Latin America’s finest baroque poet Sor Juana Inés de la Cruz (1648-1695) wrote her most famous prose work, La Respuesta a Sor
Filotea, in 1691 in response to her bishop’s injunction against her intellectual pursuits. A passionate and subversive defense of the rights of women to study, to teach, and to write, it predates by almost a century and a half serious writings on any continent about the position and education of women. Also included in this wide-ranging selection is a new translation of Sor Juana’s masterpiece, the epistemological poem “Primer Sueno,” as well as revealing autobiographical sonnets, reverential religious poetry, secular love poems (which have excited speculation through three centuries), playful verses, and lyrical tributes to New World culture that are among the earliest writings celebrating the people and the customs of this hemisphere. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Fahrenheit 451 Ray Bradbury 1951 A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit. Sor Juana Inés de la Cruz (CWS) Sor Juana Inés de la Cruz (Sor) 2005 The interest in Mexican Hieronymite nun, Sor Juana Inés de la Cruz (1648-1695) is reaching extraordinary new levels. She has been the subject of plays, a feature film, scholarly conferences, books and articles. Nobel Laureate, poet Octavio Paz, has called her one of the great poets of the Spanish language and considers her Response to Sor Philotea de la Cruz to be the first intellectual autobiography in the Hispanic world. At her death in 1695, Sor Juana was an internationally-known poet, dramatist and religious writer. Today, she is still considered an exceptional lyric poet and one of the great writers of Spain’s siglo de oro, its Golden Age of drama. Included here are: religious songs and devotional poetry; Sor Juana’s sacramental drama and preface play, Divine Narcissus; two devotional works (first English translation), Devotional Exercises for the Feast of the Incarnation and Offerings for the Sorrows of Our Lady; a theological disputation, Critique of a Sermon/Athenagoric Letter and her autobiographical Response to Sor Philotea de la Cruz. Sor Juana Inés de la Cruz: Selected Religious Works in the Classics of Western Spirituality Series is essential reading for those interested in great literary figures, religious studies and women’s history. Sor Juana’s Love Poems Sor Juana Inés de la Cruz 2003-07-01 These exquisite love poems, some of them clearly addressed to women, were written by the visionary and passionate genius of Mexican letters, the seventeenth-century nun Sor Juana Inés de la Cruz. In this volume they are translated into the idiom of our own time by poets Joan Larkin and Jaime Manrique. Some of them are rooted in Renaissance courtly conventions; others are startlingly ahead of their time, seemingly modern in the naked power of the complex sexual feelings they address.

Just Give Me a Cool Drink of Water ‘fore I Die Maya Angelou 2013-04-10 Another remarkable collection of poetry from one of America’s masters of the medium. The first part gathers together poems of love and nostalgic memory, while Part II portrays confrontations inherent in a racist society. Watch Your Head Kathryn Mockler 2020-11-17 A warning, a movement, a collection borne of protest. In Watch Your Head, poems, stories, essays, and artwork sound the alarm on the present and future consequences of the climate emergency. Ice caps are melting, wildfires are raging, and species extinction is accelerating. Dire predictions about the climate emergency from scientists, Indigenous land and water defenders, and striking school children have mostly been ignored by the very institutions — government, education, industry, and media — with the power to do something about it. Writers and artists confront colonization, racism, and the social inequalities that are endemic to the climate crisis. Here the imagination amplifies and humanizes the science. These works are impassioned, desperate, hopeful, healing, transformative, and radical. This is a call to climate-justice action. Edited by Madhur Anand, Stephen Collis, Jennifer Dorner, Catherine Graham, Elena Johnson, Canisia Lubrin, Kim Mannix, Kathryn Mockler, June Pak, Sina Queyras, Shazia Hafiz Ramji, Rasiqra Revulva, Yusuf Saadi, Sanchari Sur, and Jacqueline Valencia, proceeds will be donated to RAVEN and Climate Justice Toronto.

Sor Juana Inés de la Cruz: Selected Work Sor Juana Inés de la Cruz 2014-09-29 Latin America’s great poet rendered into English by the world’s most celebrated translator of Spanish-language literature. Sor Juana (1651–1695) was a fiery feminist and a woman ahead of her time. Like Simone de Beauvoir, she was very much a public intellectual. Her contemporaries called her “the Tenth Muse” and “the Phoenix of Mexico,” names that continue to resonate. An illegitimate child, self-taught intellectual, and court favorite, she rose to the height of fame as a writer in Mexico City during the Spanish Golden Age. This volume includes Sor Juana’s best-known works: “First Dream,” her longest poem and the one that showcases her prodigious intellect and range, and “Response of the Poet to the Very Eminent Sor Filotea de la Cruz,” her epistolary feminist defense—evocative of Mary Wollstonecraft and Emily Dickinson—of a woman’s right to study and to write. Thirty other works—playful ballads, extraordinary sonnets, intimate poems of love, and a selection from an allegorical play with a distinctive New World flavor—are also included.

Poems from the Straight PathJoel Hayward 2017-04-11 Poems from the Straight Path reflects, chronicles and tries to make sense of Joel Hayward’s conversion to Islam after two decades as a fish-out-of-water Unitarian within trinitarian Christianity. The realization that the God to whom he prayed was one, not three, and that Islam was the way for him to worship the God of Abraham, Noah, Moses and Jesus. His conversion was a life-transforming journey that led Hayward, at almost forty, finally to bow his face to the ground before God for the first time. Despite being religious for twenty years he had never bowed as a man should; as low to the earth as the human spine will allow. The process of learning Islam is more profoundly complex and confusing, yet stimulating and satisfying, than for those who were raised in Islamic families or communities can possibly imagine. Everything needs to be learned. But first everything needs to be unlearned. Hayward’s journey of exploration, transformation and illumination forms the beating heart of this moving collection of poetry. Yet my poems deal not only with my own reversion and other spiritual experiences, but, more importantly, also with the everyday challenges and hopes of Western Muslims who wrestle to understand and their own astray society and its encroaching pressures. A timely and important work that reveals the struggle and profound insights of someone bridging cultures and faith traditions.

The Canary Room Edwin Casebeer 2014-07-28 In the spring of 1945, a young boy in the Pacific Northwest will make a life-or-death decision. Every morning, Herman “Hermy” Auerbach awakens to the pre-dawn song of canaries. The porch where he sleeps contains dozens of the songbirds. Outside, in the wider world, the Second World War enters its final, bloody months. Hermy comes to the Williams’ house under protest after his parents’ divorce, a result of his father leaving home initially to pursue his impossible dream of becoming an intelligence officer. Herman’s mother, remarried to a sailor, abandons her son to move across the country and start another family with her new husband. By the time he takes up residency in the canary room, Hermy has already suffered both from abandonment and bullying. Life with the large, messy Williams clan offers Hermy...
little relief, although he bonds with the other boys in the family. When the boys hatch a wild escape plan, Hermy finds himself facing death, and deciding if his life is worth the struggle to survive after losing everything. A compelling story of one boy’s struggle to survive the uncertainties of foster care and the war, The Canary Room brings to life the daily challenges of life on the US home front in vivid, historically accurate detail.

**Somebody Else Sold the World** Adrian Matejka 2021-07-06 A resonant new collection on love and persistence from the author of *The Big Smoke*, a finalist for the National Book Award and the Pulitzer Prize. The poems in Adrian Matejka’s newest and fifth collection, *Somebody Else Sold the World*, meditate on the ways we exist in an uncontrollable world: in love and its aftermaths, in families that divide themselves, in protest-filled streets, in isolation as routines become obsolete because of lockdown orders and curfews. *Somebody Else* uses past and future touchstones like pop songs, love notes, and imaginary gossip to illuminate those moments of splendor that persist even in exhaustion. These poems show that there are many possibilities of brightness and hope, even in the middle of pandemics and revolutions.

**Deaf Republic** Ilya Kaminsky 2019-03-05 Ilya Kaminsky’s astonishing parable in poems asks us, What is silence? *Deaf Republic* opens in an occupied country in a time of political unrest. When soldiers breaking up a protest kill a deaf boy, Petya, the gunshot becomes the last thing the citizens hear—they all have gone deaf, and their dissent becomes coordinated by sign language. The story follows the private lives of townspeople encircled by public violence: a newly married couple, Alfonso and Sonya, expecting a child; the brash Momma Galya, instigating the insurgency from her puppet theater; and Galya’s girls, heroically teaching signing by day and by night luring soldiers one by one to their deaths behind the curtain. At once a love story, an elegy, and an urgent plea, *Deaf Republic* is a love story for a man with whom he shared some of life’s worst experiences is celebrated in poems which were once the subject of a prolonged court trial.

**And Still I Rise** Maya Angelou 2011-08-17 Maya Angelou’s unforgettable collection of poetry lends its name to the documentary film about her life. *And Still I Rise*, as seen on PBS’s American Masters. Pretty women wonder where my secret lies. I’m not cute or built to suit a fashion model’s size. But when I start to tell them, they think I’m telling lies. I say, It’s in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I’m a woman Phenomenally. Phenomenal woman, That’s me. Thus begins “Phenomenal Woman,” just one of the beloved poems collected here in Maya Angelou’s third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. And *Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. “It is true poetry she is writing,” M.F.K. Fisher has observed, “not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes.”

*Internment* Samira Ahmed 2019-03-19 An instant New York Times bestseller! “Internment sets itself apart...terrifying, thrilling and urgent.”—Entertainment Weekly. *Rebellions* are built on hope. Set in a horrifying near-future United States, seventeen-year-old Layla Amin and her parents are forced into an internment camp for Muslim American citizens. With the help of newly made friends also trapped within the internment camp, her boyfriend on the outside, and an unexpected alliance, Layla begins a journey to fight for freedom, leading a revolution against the camp’s Director and his guards. Heart-racing and emotional, *Internment* challenges readers to fight complicit silence that exists in our society today.

**Animals and Early Modern Identity** PiaF. Cuneo 2017-07-05 Animals were everywhere in the early modern period and they impacted, at least in some way, the lives of every kind of early modern person, from the humblest peasant to the greatest prince. Artists made careers based on depicting them. English gentry impoverished themselves spending money on them. Humanists exercised their scholarship writing about them. Pastors saved souls delivering sermons on them. Nobles forged alliances competing with them. Foreigners and indigenes negotiated with one another through trading them. The nexus between animal-human relationships and early modern identity is illuminated in this volume by the latest research of international scholars working on the history of art, literature, and of sixteenth- and seventeenth-century Germany, France, England, Spain, and South Africa. Collectively, these essays investigate how animals - horses, dogs, pigs, hogs, fish, cattle, sheep, birds, rhinoceroses, even sea-monsters and other creatures - served people in Europe, England, the Americas, and Africa to defend, contest or transcend the boundaries of early modern identities. Developments in the methodologies employed by scholars to interrogate the past have opened up an intellectual and discursive space for - and a concomitant recognition of - the study of animals as a topic that significantly elucidates past and present histories. Relevant to a considerable array of disciplines, the study of animals also provides a means to surmount traditional disciplinary boundaries through processes of dynamic interchange and cross-fertilization.

Hailed by Toni Morrison as “required reading,” A BOLD AND PERSONAL LITERARY EXPLORATION OF AMERICA’S RACIAL HISTORY BY “THE MOST IMPORTANT ESSAYIST IN A GENERATION AND A WRITER WHO CHANGED THE NATIONAL POLITICAL CONVERSATION ABOUT RACE” (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE’S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation’s history and current crisis. Americans have built an empire on the idea of “race,” a falsehood that damages us all and falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden?

Between the World and Me is Ta-Nehisi Coates’s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children’s lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, Between the World and Me clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

Six Memos for the Next Millennium Italo Calvino 2013-04-04 Italo Calvino was due to deliver the Charles Eliot Norton lectures at Harvard in 1985-86, but they were left unfinished at his death. The surviving drafts explore the concepts of Lightness, Quickness, Multiplicity, Exactitude and Visibility. (Constancy was to be the sixth) in serious yet playful essays that reveal Calvino’s debt to the comic strip and the folktale. With his customary imagination and grace, he sought to define the virtues of the great literature of the past in order to shape the values of the future. This collection is a brilliant précis of the work of a great writer whose legacy will endure through the millennium he addressed. Italo Calvino, one of Italy’s finest postwar writers, has delighted readers around the world with his deceptively simple, fable-like stories. Calvino was born in Cuba in 1923 and raised in San Remo, Italy; he fought for the Italian Resistance from 1943-45. His major works include Cosmicomics (1968), Invisible Cities (1972), and If on a Winter’s Night a Traveller (1979). He died in Siena in 1985, of a brain hemorrhage.
