The Magus: KUNDALINI AND THE GOLDEN DAWN: A Complete System of Magick that Bridges Eastern Spirituality and the Western Mysteries

Neven Paar 2019-12-19 "The Magus: Kundalini and the Golden Dawn" is the culmination of Neven Paar's Spiritual journey through the Western Mystery Tradition after experiencing a full and sustained Kundalini awakening. Once he joined a secret and esoteric school called the Golden Dawn, he was introduced to Ceremonial Magick-a Spiritual Alchemy practice geared towards Chakra tuning and cleansing-whose ultimate purpose is personal transformation and Enlightenment. Neven found that this sacred art of energy invocation not only alleviated the intense fear and anxiety he was left with after awakening Kundalini, but it furthered his Spiritual progression tenfold in a short period. As such, he dedicated himself to mastering the entire Golden Dawn system. "The Magus" is a universal science of energy that combines Eastern Spirituality and the Western Mysteries. Ceremonial Magick exercises in "The Magus" are presented as part of Spiritual Alchemy programs whose aim is to help you connect with your Higher Self and tap into your highest potential as a Spiritual being. These programs go hand-in-hand with knowledge lectures on the Qabalah, the Five Elements, the Seven Chakras, Astrology, the Tarot, Divination, meditation, Hermetic Philosophy and Alchemy, the Christian and Egyptian Mysteries, Enochian Magic, and more. This book also contains a wealth of knowledge concerning the Kundalini from both Eastern and Western perspectives. As your connection with your Creator strengthens through the work in "The Magus," your personal power will increase, enabling you to manifest the life you always wanted. By becoming the best version of yourself, you can be the hero of your own story and experience the joy and excitement of being alive. The end-game of "The Magus" is the completion of the Great Work and the expansion and unification of the individual consciousness with Cosmic Consciousness.

Israel Regardie 2018-08 Though Francis Israel Regardie (19071985) is best known for his writings on the Western magical/mystical system known as the Golden Dawn, that is not how he made his living. He was a Doctor of Chiropractic under which license he practiced the psychotherapeutic methods of Wilhelm Reich, M.D. (18971957). Reichian Therapy was a revolutionary approach to dealing with psychological issues. Reich, who had once been an associate of Sigmund Freud, had developed important extensions to psychological theory and the therapy methods of the day. But in a clinical setting he and others were continually faced with the intractability of many patients against the therapeutic methods then in use. He came to believe that this armoring was not simply a head issue, but was elaborated in actual physical armoring of the musculature. In time he developed a novel, and highly successful, approach to psychotherapy: rather than just talk with his patients, he manipulated and attacked the muscular armor directly. But today we see almost nothing of his methods. First written in the 1950s and updated through the 1970s, this never-before-published tour de force provides a masterful description of both Reich’s theory and clinical practice. It is an indispensable tool for anyone interested in one of the most effective psychotherapeutic methods ever devised.

What You Should Know about the Golden Dawn

Israel Regardie 2021-06-02 This fascinating book has been out of print and highly sought after for many years since its first publication as My Rosicrucian Adventure in 1936. In this work Israel Regardie relates his own personal experience with those secret societies which have exerted such a great influence on the development of modern Occultism.
Regardie lifts the cloak of mystery which has shrouded THE HERMETIC ORDER OF THE GOLDEN DAWN, THE ROSICRUCIAN FRATERNITY and THE MASONIC LODGE. From his close personal association Regardie reveals the true nature and actions of such leading occult authorities as Aleister Crowley, S.L. MacGregor Mathers, Dr. W.W. Westcott, and Dion Fortune.

The Complete Golden Dawn System of Magic Israel Regardie 2019-11-06 Regardie’s resonance with the Golden Dawn derived in part from the intuitive knowledge that he demonstrated in his 1932 book, The Tree of Life. With the sponsorship of Dion Fortune, he joined the Stella Matutina in 1933 but quickly became disillusioned with its egotistical leadership and departed less than two years later after attaining the grade of Adeptus Minor. Three years after that, he published his landmark collection The Golden Dawn, making the “secret” rites and teachings of the on-again, off-again Order available to a wider public for the first time, and making the sacred knowledge and practices of Western magic available to serious Golden Dawn students. Regardie and Crowley parted company after an acrimonious public clash of personalities. Regardie returned to the United States and studied chiropractic medicine in New York. He served in the Army during World War II, and afterward moved to Los Angeles to open a chiropractic clinic and also work as a Reichian therapist. He had studied psychology and psychiatry with several notable teachers and was a strong proponent of Jungian analysis all his life, as well as the more controversial work of Wilhelm Reich. Both writers are known among the 20th century’s most unique and controversial psychological theorists, whose writings straddled the border between science, religion and myth, and incorporated a strong emphasis of sexuality. It is easy to see how this emphasis blended well with Regardie’s magical and esoteric studies.

Talisman & Evocations of the Golden Dawn Pat Zalewski 2002-03-08 Practical Magic techniques of the Golden Dawn revealed! Founded in 1888, by legendary magicians Wynn Westcott and S.L. MacGregor Mathers, the Golden Dawn has been a major influence on the development of Western Magic. Although the material which inspired adepts such as Alistair Crowley and W.B. Yeats has been available, until now there has been little explanation as to how this group performed its rites of ritual magic. Now at last Pat Zalewski, himself an adept within the Golden Dawn system, has revealed secrets that have never before been published or which were only communicated orally to a handful of select pupils. For years people have known that the Golden Dawn adepts could summon spirits so that they could be seen, but no one could explain how they did it. Likewise their techniques of manufacturing and empowering talismans were a closely guarded secret until now. In this book readers will learn the secrets of evocation and how to make Talismans of Power. This book is a very valuable tool into understanding the practical considerations of Golden Dawn ritual magic at its best. The book is a must for serious Golden Dawn students.

The Celtic Golden Dawn John Michael Greer 2013-02-08 A century ago, Celtic groups descending from the famed Hermetic Order of the Golden Dawn pioneered a fascinating form of ceremonial magic invoking Pagan Celtic powers instead of relying on the more commonly used Judeo-Christian names and symbols. Those groups disappeared many decades ago, and their teachings were lost. But today, their legacy has been reborn. Respected occult author and Grand Archdruid John Michael Greer has re-created a complete magical system based on the Celtic Golden Dawn traditions. This new book provides students with a complete curriculum of Druidical magic and occult wisdom, including training in ceremonial magic, meditation, pathworking, divination, numancy, and herbal alchemy, allowing self-initiation into the three degrees of Ovate, Bard, and Druid. Structured to resemble a long-lost correspondence course, The Celtic Golden Dawn presents a series of knowledge lectures, meditations, and rituals leading to mastery of the most important magical techniques.

It is time to bring these hidden teachings of the Golden Dawn into the Light.

Stealing Fire from Heaven Nevill Drury 2011-03-02 The Western magical traditions are currently undergoing an international resurgence. In Stealing Fire from Heaven, Nevill Drury offers an overview of the modern occult revival and seeks to explain this growing interest in ancient magical belief systems. Gnosticism and the Hermetica, the medieval Kabbalah, Tarot and Alchemy, and more recently, Rosicrucianism and Freemasonry, collectively laid the basis for the modern magical revival, which first began to gather momentum in Europe at the end of the nineteenth century. Western magic has since become increasingly eclectic, drawing on such classical Occultism, Celticism, Kundalini yoga and Tantra, shamanism, chaos theory, and the various spiritual traditions associated in many different cultures with the Universal Goddess. Drury traces the rise of various forms of magical belief and practice, from the influential Hermetic Order of the Golden Dawn to the emergence of Wicca and Goddess worship as expressions of contemporary feminine spirituality. He also explores Chaos Magick and the occult practices of the so-called Left-Hand Path, as well as twenty-first-century magical forays into cyberspace. He believes that the rise of modern Western magic stems essentially from the quest for personal spiritual transformation and direct experience of the sacred—a quest which the trance occultist and visionary artist Austin Osman Spare once referred to as “stealing fire from heaven.” Considered in this light, Drury argues, modern Western magic can be regarded as a form of alternative spirituality in which the practitioners seek direct engagement with the mythic realm.

The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning’s headlines. No Country for Old Men is a triumph.

He lifts the cloak of mystery which has shrouded these organizations since their heyday in the last half of the 19th century and tells what really went on behind the closed doors of the Hermetic Order of the Golden Dawn, the Theosophist Society, the Rosicrucian Fraternity, and the Masonic Lodge. From his close personal association Regardie reveals the true nature and actions of such leading Occult authorities as Aleister Crowley, S. L. MacGregor Mathers, and Dion Fortune. Reprinted in 1971 with a new introduction and postscript by Dr. Regardie giving further details of the rites and rituals which he was under oath not to reveal at the time of the first printing of this work. My Rosicrucian Adventure discusses both the theories behind the ceremonial grades of the Golden Dawn and the initiation rites as they were really practiced by the Order. Fear of recrimination did not prevent Dr. Regardie from carefully analyzing and criticizing the methods and procedures of the Order and revealing the true character of its members. With a new preface by Lon Milo Duquette, author of Ask Baba-Lon, Answers to Questions of Life and Magick
