Women have been the instruments of God in the past, and He still uses them today to accomplish His ministry to a lost and dying world. This book will examine the lives of many of the women found in Scripture, considering the special characteristics which caused them to be recorded in the Bible’s sacred pages.

Suffering and the Sovereignty of God John Piper 2006-09-13 In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today’s churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In Suffering and the Sovereignty of God, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Fowlison, Dustin Shramek, and Mark Talbot explore the many categories of God’s sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known. The New Scottish Cinema Jonathan Murray 2015-03-31 From a near starting point in the 1970s, the emergence and expansion of an aesthetically and culturally distinctive Scottish cinema proved to be one of the most significant developments within late-twentieth and early twenty-first-century British film culture. Individual Scottish films and filmmakers have attracted notable amounts of critical attention as a result. The New Scottish Cinema, however, is the first book to trace Scottish film culture's industrial, creative and critical evolution in comprehensive detail across a forty-year period. On the one hand, it invites readers to reconsider the known - films such as Shallow Grave, Ratcatcher, The Magdalene Sisters, Young Adam, Red Road and The Last King of Scotland. On the other, it uncovers the overlooked, from the 1980s comedic film makers who followed in the footsteps of Bill Forsyth to the variety of present-day Scottish film making - a body of work that encompasses explorations of multiculturalism, exploitation of the macabre and much else in between.In addition to analysing an eclectic range of films and filmmakers, The New Scottish Cinema also examines the diverse industrial, institutional and cultural contexts which have allowed Scottish film to evolve and grow since the 1970s, and relates these to the images of Scotland which artists have put on screen. In so doing, the book narrates a story of interest to any student of contemporary British film. God and Me! The Black Girl In Search Of God And Some Lesser Tales

Bernard Shaw 2016-08-26 This volume contains George Bernard Shaw’s collection of short stories entitled “The Black Girl in Search of God, and Some Lesser Tales”. It was first published in 1934. “The Black Girl In Search Of God” is a short story that follows a young girl who is newly converted to Christianity - and who embarks on a literal search for God. On her way, she comes into contact with a number of religious figures, each trying to convert her to their own faiths. This wonderfully sardonic allegory highlights Shaw’s unorthodox ideas on faith and race, and was highly controversial when first published. George Bernard Shaw (1856 - 1950) was an Irish playwright who co-founded of the London School of Economics. Many vintage texts such as this are increasingly scarce and expensive, and it is with this in mind that we are republishing this book now, in an affordable, high-quality, modern edition. It comes complete with a specially commissioned biography of the author.

unnerving. The God of Small Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

Updated for the 75th Anniversary of the Diary’s first publication with a new introduction by Nobel Prize-winner Nadia Murad “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in an attempt to escape. For the next two years, until they were betrayed to the Gestapo, they hid in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

The Glass Castle by Jeannette Walls (2006-01-02) Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children’s imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn’t stand the responsibility of providing for their family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
