Blumhardt's Battle A Conflict With Satan

Blumhardt's Battle- Johann Christoph Blumhardt 1970

Blumhardt's Battle- 2005-06-01

"Jesus Is Victor!"-Christian T. Collins Winn 2009-01-01 IN THIS INNOVATIVE WORK, Christian T. Collins Winn examines the role played by the Pietist pastors Johann Christoph Blumhardt (1805-1880) and Christoph Friedrich Blumhardt (1842-1919) in the development of Karl Barth's theology. The disparate theological themes and dynamics of the two Blumhardts were crystallized in their eschatology, and Collins Winn argues that as early as 1916 Barth had appropriated this Blumhardtian eschatological deposit in ways fundamental to his own theological development. Against the grain of current Barth scholarship, this book establishes how the theology of the Blumhardts, though critically reconstructed, was not merely an episodic influence on Barth's work. Instead, the Blumhardts had a complex and enduring impact on Barth, such that their imprint can be detected even in the mature theology of his Church Dogmatics. In treading new ground into Barth's theological formation, Jesus Is Victor! represents an important contribution to the field of Barth studies.

Johann Christoph Blumhardt, Life and Work-Dieter Ising 2009-08-01 Johann Christoph Blumhardt (1805-1880) was a pastoral counselor and theologian of hope. His theology and pastoral approach, shaped as they were by the awakening in his congregation and numerous incidents of faith healing, provoked earnest and lively debate, and the controversy continues today. Ising's work mines the original sources, the product of an interaction with Blumhardt's life and work that goes back many years. He has drawn a portrait that explores the shadows as well as its bright side. Readers are invited to enter fully into the nineteenth century, Blumhardt's century, yet are constantly reminded that the problems of that day have lost none of their currency within the altered mental horizons of today.

Pneumatology and Theology of the Cross in the Preaching of Christoph Friedrich Blumhardt-Simeon Zahl 2010-11-25 A study on the pneumatology of the German theologian Christoph Friedrich Blumhardt.

The Gospel of God's Reign-Christoph Friedrich Blumhardt 2013-11-06 "No doubt, it is common to hear Christians today declaring their allegiance to God's kingdom. But what does this actually entail, and what difference does it make? In his characteristically provocative and daring way, Christoph Blumhardt articulates a vision of God's kingdom that turns much of our understanding of modern Christianity upside-down. In the present volume, available in English for the first time, Blumhardt leads readers to look at the gospel anew, challenging us to follow Jesus in a way that makes God's reign a reality, here and now. Bypassing vague notions of spirituality, as well as transcending simplistic approaches to faith, Blumhardt inspires us to actually live under the rule and reign of God."

The Company of the Preachers-

Spirit Possession around the World: Possession, Communion, and Demon Expulsion across Cultures-Joseph P. Laycock 2015-05-26 This book provides a fascinating historical and cultural overview of traditional beliefs about spirit possession and exorcism around the world, from Europe to Asia and the Middle East to the Americas. • Provides an interdisciplinary perspective on the subject of spirit possession, reflecting the work of scholars and experts from many fields • Covers a wide range of cultures, traditions, and phenomena with up-to-date, little-known information that is difficult to find through independent research • Includes primary documents that give students accounts of exorcism and spiritual possession and serve to foster critical thinking skills and media literacy • Features sidebars that illuminate key points and present related information, with special attention paid to exorcism and spirit possession in popular culture

Divine Healing: The Formative Years: 1830-1890 - James Robinson 2011-04-13 Divine healing is commonly practiced today throughout Christendom and plays a significant part in the advance of Christianity in Latin America, Africa, and Asia. Such wide acceptance of the doctrine within Protestantism did not come without hesitation or controversy. The prevailing view saw suffering as a divine chastening designed for growth in personal holiness, and something to be faced with submission and endurance. It was not until the nineteenth century that this understanding began to be seriously questioned. This book details those individuals and movements that proved radical enough in their theology and practice to play a part in overturning mainstream opinion on suffering. James Robinson opens up a treasury of largely unknown or forgotten material that extends our understanding of Victorian Christianity and the precursors to the Pentecostal revival that helped shape Christianity in the twentieth century.

American Exorcism - Michael W. Cuneo 2002-10-15 A guided tour through the burgeoning business of exorcism and the darker side of American life. There is no other religious ritual more fascinating, or more disturbing, than exorcism. This is particularly true in America today, where the ancient rite has a surprisingly strong hold on our imagination, and on our popular entertainment industry. We've all heard of exorcism, seen the movies and read the books, but few of us have ever experienced it firsthand. Conducted by exorcists officially appointed by Catholic archdioceses and by maverick priests sidestepping Church sanctions, by evangelical ministers and Episcopal charismatics, exorcism is alive and well in the new millennium. Oprah, Diane Sawyer, and Barbara Walters have featured exorcists on their shows. The New York Times, Los Angeles Times, Time, and other publications have charted the proliferation of exorcisms across the United States. Last year, the Archdiocese of Chicago appointed its first full-time exorcist in its 160-year history; in New York, four priests have officially investigated about forty cases of suspected possession every year since 1995. American Exorcism is an inside look at this burgeoning phenomenon, written with objectivity, insight, and just the right touch of irony. Michael W. Cuneo attended more than fifty exorcisms and interviewed many of the participants—both the exorcists who performed the rituals and the people from all walks of life who believed they were possessed by the devil. He brings vividly to life the ceremonies themselves, conjuring up memories of Linda Blair's astonishing performance in the 1973 movie The Exorcist and other bizarre (and sometimes stomach-churning) images. Cuneo dissects, as well, the arguments of such well-known exorcism advocates as Malachi Martin, author of the controversial Hostage to the Devil, self-help guru M. Scott Peck, and self-professed demonologists Ed and Lorraine Warren of Amityville Horror fame. As he explores this netherworld of American life, Cuneo reflects on the meaning of exorcism in the twenty-first century and on the relationship between religious ritual and popular culture. Touching on such provocative topics as the "satanic panics" of the 1980s, repressed memory, and ritual abuse, American Exorcism is a remarkably revealing, consistently entertaining work of cultural commentary.

Christ Is God's Everything for You - Harold J. Chadwick 2010-02 The centrality of Jesus Christ is at the heart of Harold Chadwick's book. Many Christians have diverted their attention to knowledge about Christ without realizing the absolute necessity of a personal relationship with Christ. The Apostle Paul said, God was in Christ, reconciling the world unto himself (2 Corinthians 5:19).

The Adversary - Mark I. Bubeck 2013-09-17 Spiritual warfare is real, and we are all involved whether we like it or not. The Bible plainly tells us that Satan schemes against humanity and that he wants to devour us. Daily we struggle against Satan's strategies and desire to take over God's kingdom. This battle will not go away, and ignoring it could be disastrous. But don't be afraid. The victory is already won by Christ. No enemy is powerful enough to overcome the risen savior. In these pages, Mark Bubeck exposes the reality of the conflict and the hope believers have. He answers such questions as: What is Satan's strategy in spiritual warfare? Can a Christian be oppressed by demons? Can demonic affliction be passed down through family lines? What are the symptoms of demonic activity in a person's life? Having sold more than 350,000 copies worldwide, this bestseller will help the reader triumph in the battle against demonic activity by relying on the almighty and powerful Son of God.

Spirituality and Social Liberation - Frank D. Macchia 1993

The Keswick Movement - Charles Edwin Jones 2007 This volume introduces researchers to the leaders, ideas, and institutions of the Keswick Movement, a strand of holiness teaching that was embraced by many evangelicals who came from the more Calvinistic wing of Protestantism, especially Anglicans, Baptists, Congregationalists, and Presbyterians. The Keswick Movement is the most
difficult of the three main holiness traditions to delineate. Unlike the Wesleyan Holiness and Holiness Pentecostal traditions, the Keswick Movement has not gone through a definitive period of careful theological refining and institutional boundary setting.

**Christoph Blumhardt and His Message**

The Rise of Korean Holiness Church in Relation to the American Holiness Movement - Meesaeng Lee Choi 2008 The Korean Holiness Church originated as an evangelical movement through indigenous work and the American holiness mission. From its inception, the church believed that its primary task was not only to promote “scriptural holiness,” as John Wesley and primitive Methodism had preached, but also to preach the “fourfold gospel,” which can be summarized as regeneration, sanctification, divine healing, and the premillennial second coming of Christ. This book argues that the theological foundation of the Korean Holiness Church can best be understood by analyzing the fourfold gospel in the history of the Korean Holiness church and its internationally connected holiness movement.

A Survey of 20th-century Revival Movements in North America - Richard M. Riss 1988 The twentieth century has witnessed periodic revivals comparable to the awakenings of the eighteenth and nineteenth centuries. And yet, many of the places and players of these reawakenings have been overlooked or neglected by the chroniclers of North American church history. "A Survey of 20th-Century Revival Movements in North America" attempts to set the record straight. It offers a concise and useful survey of the major currents of revival that have swept over this continent since the turn of the century. As the final decade of this century approaches it is appropriate that historian Richard Riss chart the course of twentieth-century revival on this continent and record the people, places, and events that have shaped the modern American church. Names like William J. Seymour or Maria B. Woodworth-Etter; places like Azusa Street or North Battleford, Saskatchewan; and events like the forest Home Briefing Conference or the Latter Rain Revival might not be as familiar as Billy Graham, Oral Roberts, or the Jesus movement, but each has played a significant role in keeping the streams of revival flowing. The impact of these often lesser-known figures and events is tremendous. For example, William J. Seymour was a key figure in early Pentecostalism, which has become one of the most rapidly growing segments of modern Christianity. Also, college awakenings at Bethel College in St. Paul, Minnesota, Northern Baptist Theological Seminary, North Park College, and Wheaton College in late 1949 and early 1950 received nationwide press coverage and sparked college revivals throughout the country. A decade later, in 1960, Dennis Bennett's experience of the Holy Spirit in Van Nuys, California, would mark the beginning of a tremendous outpouring of the Spirit, and for many, came to represent the start of the charismatic renewal movement.

The Awakening - Friedrich Zündel 1999 When a young Lutheran pastor named Johann Christoph Blumhardt (1805-1880) interceded for a tormented woman in his village, he got more than he reckoned for. "We've seen enough of what the Devil can do", he told her. "Now let us see what God can do". But would one man's simple faith hold out against the onslaught of occult forces that began to reveal themselves? Two years later the enemy, defeated, howled, "Jesus is the victor!" and fled. Nothing would ever be the same in Mottlingen, Blumhardt's rural parish in the Black Forest. The palpable nearness of God -- and the reality of the great cosmic battle between good and evil -- was in many ways reminiscent of apostolic times. Sick and disabled people were healed, mental illness vanished, and stolen goods were returned. Murders were even solved, and broken marriages restored. Marked by the transformation of lives and relationships, yet devoid of exaggerated emotionalism and religiosity, the revival spread like a quiet tide, beyond the Black Forest, throughout Germany, and even farther, despite the efforts of a cynical press and Blumhardt’s nervous ecclesiastical superiors. To those who despair over the spiritual poverty of contemporary Christianity, this book offers quiet but bold assurance that God can work as powerfully in our time as he did in his.

The Other Side of Joy - Julius Rubin 2000-03-09 This is a case study of one pietist religious group, the Bruderhof. A Christian brotherhood founded on Anabaptist and evangelical pietist doctrine, they practice community of goods, seeking to emulate the vision of the Apostolic church and fulfill the ethic of brotherhood taught in the Sermon on the Mount. Rubin offers compelling accounts of the lives
of Bruderhof apostates who foudnered over issues of faith, and relates these crises to the central tenets of Bruderhof theology, their spirituality, and community life.

**Nationhood, Providence, and Witness**- Carys Moseley 2013-11-28 In this eloquently argued work Carys Moseley provides an original angle of criticism on the issue of nationhood and Christianity, asserting that Christianity must relate to nationhood as the nation structure is part of God's plan for humanity. The book addresses three major themes in the field of theology and nationhood. The first is that anti-nationalism and anti-Zionism are often two sides of the same coin, and involve taking leave of a providential reading of the Bible as well as a willingness to understand history in broadly providential terms. The second is that such an approach tends to involve a reluctance to recognise subordinated Gentile nations, especially those that have lost independence. Moseley studies the work of four theologians - Reinhold Niebuhr, Rowan Williams, John Milbank and Karl Barth - to examine the difference between nationhood and statehood. She provides a perspective on Wales as a stateless nation, as an example of a Gentile parallel to Israel. Thirdly, Moseley links social theorists to the theologians to explore their affinities. Niebuhr is paired with Mark Juergensmeyer, and Rowan Williams is juxtaposed to the debate between Adrian Hastings and Anthon Smith. Nationhood, Recognition and Providence will interest anyone concerned with nationhood and Israel in protestant theology, and offers unique insights into stateless nations from the Welsh-born author's perspective.

**Church Dogmatics Study Edition 27**- Karl Barth 2010-11-04 The most important theological work of the 20th century in a new edition - now available in individual volumes.

**Church Dogmatics The Doctrine of Reconciliation, Volume 4, Part 3.1**- Karl Barth 2004-01-30 Described by Pope Pius XII as the most important theologian since Thomas Aquinas, the Swiss pastor and theologian, Karl Barth, continues to be a major influence on students, scholars and preachers today. Barth's theology found its expression mainly through his closely reasoned fourteen-part magnum opus, Die Kirchliche Dogmatik. Having taken over 30 years to write, the Church Dogmatics is regarded as one of the most important theological works of all time, and represents the pinnacle of Barth's achievement as a theologian. T&T Clark International is now proud to be publishing the only complete English translation of the Church Dogmatics in paperback.

**Shepherds of the Empire**- Mark R. Correll 2014 The late nineteenth century was a time of rapid industrialization, mass politicization, and modern philosophy. The resulting political and cultural upheaval confronted the German Protestant church with deep questions of identity. On the one side sat an educated academic guild whose explorations of history, philology, and emerging social scientific disciplines gave rise to serious questions about the Christian faith and its meaning for today. On the other sat parish clergy faced with the complexities of daily life and leadership in common communities. For these parish clergy the pressure was great to support and bolster people not only in their life as Christians, but in their life as Germans. Shepherds of the Empire engages timeless questions of identity and faith through the time-bound work of four key thinkers who attempted, and ultimately failed, to carve a middle way for the German parish clergy in that environment. The volume focuses on the life and work of Adolf Stoecker (1835-1909), Martin Kähler (1835-1912), Adolf Schlatter (1852-1938), and Christoph Blumhardt (1842-1919). - Publisher.

**A Theology of Pastoral Care**- Eduard Thurneysen 2010-07-01 From a thoroughly biblical viewpoint Eduard Thurneysen probes deeply into the nature and practice of pastoral care. His rich understanding of men, his experience in counseling, and his grasp of theological thought infuse his approach with vitality and truth. As he considers the basis of pastoral care, Thurneysen puts forward the thesis that the purpose of counseling is to communicate the Word of God to individuals. Pastoral care is a ministry along with those of sermon and sacrament; its aim is to lead the counselee back to sermon and sacrament in the worship of the church. Although he does little more than hint at rules and techniques for pastoral care, Thurneysen is greatly concerned with its practical aspects. It is his belief that the care of souls occurs through conversation--confident, open-minded conversation which is founded on the Word of God, informed by prayer, and manifested in active listening to, and acceptance of, the counselee. Thurneysen demonstrates the importance of a knowledge of psychology and the principles of psychotherapy. Depth psychology and psychotherapy deeply enrich our understanding of human nature and serve to communicate the message of forgiveness all the more powerfully. This book provides a critical theological study of the whole field of pastoral care. As a work in practical theology, it will be stimulating and useful to professors of counseling as well as to students in the field. Counselors and pastors will find it helpful because it throws light on the fundamental issues involved in problems which they face in their ministries.
War on the Saints
Jessie Penn-Lewis 2017-05-02
As soldiers in the army of the Lord, Christians face the onslaught of evil forces head-on every day. But there is no need to despair...God has not abandoned us. In War on the Saints, Jessie Penn-Lewis reveals: Satan's game plan—his tricks, lies, and methods of destruction The deception—that "sincere" Christians can be deceived The devil's target—his methods for targeting believers Spiritual warfare principles—both offensive and defensive Learn to equip yourself with God's full arsenal of weapons to defeat the enemy. Don't wait a moment longer. Now is the time to armor yourself against spiritual attacks. You can emerge victorious from every battle.

Practices of Power
Robert Ewusie Moses 2014
How did the powers work in the Pauline community? Robert Ewusie Moses argues that Paul's conception of the powers is best understood through examining the practices he advocates for the early believers. In this detailed study, Moses shows that Paul believed certain practices guarded believers from the dominion of the powers while others exposed humans to the powers of darkness. Moses traces the distinct function of power-practices in each of Paul's letters and draws illuminating comparisons with traditional African religious practices.

Pastor Johann Christoph Blumhardt
Friedrich Zündel 2010-04-12
Though relatively unknown in America, Johann Christoph Blumhardt (1805-1880) is widely recognized in his native Germany, in part because of Friedrich Zündel's landmark biography, now available in English for the first time. The terrifying battle between the spiritual forces of good and evil described here, and the awakening that followed, catapulted Blumhardt's parish into the public eye and still draws seekers to it. Zündel's account is fascinating on a historical level, but it is also infused with enduring pastoral insights and spiritual wisdom. Here is an almost unbelievable account of one person's faith in the inbreaking of God's kingdom and its victory over powers that bind and divide humanity.

Lange's Commentary on the Holy Scripture, Volume 5
Lange, John Peter All sixty-three of the original volumes are included in a nine volumes set. There are two linked indexes in this volume, a main index at the front of this volume that will take you to the beginning each of the books of the bible and another index at the beginning of each book there is a linked scripture index leading to the particular subject. Lange’s Commentary on the Old and New Testaments, translated, revised, edited and enlarged from the German editions of John Peter Lange and many contributors, and edited by Philip Schaff. Lange’s Commentary on the entire Bible has remained one of the most useful and valuable work of its kind. It is conservative in theology and universal in hermeneutics. Delmarva Publications is proud to make it available in digital format. The original work was completed in 63 volumes, but we have made it available in 9 volumes they are: Volume 1 - Genesis to Ruth Volume 2 -1 Samuel to Esther Volume 3 - Job to Ecclesiastes Volume 4 - Song of Songs to Lamentations Volume 5 - Ezekiel to Malachi Volume 6 - Matthew to John Volume 7 - Acts to 2 Corinthians Volume 8 - Galatians to 2 Timothy Volume 9 -Titus to Revelation

Church Dogmatics: The doctrine of reconciliation. 4 pts. in 5-Karl Barth 1936

Church Dogmatics: The doctrine of reconciliation. 4 pts. in 5 vols. (Pt. 4: Fragment)-Karl Barth 1961

Divine Healing: The Years of Expansion, 1906-1930-James Robinson 2014-05-07 In the present volume James Robinson completes his trilogy, which deals with the history of divine healing in the period 1906-1930. The first volume is a study of the years 1830-1890, and was hailed as "a standard reference for years to come." The second book covers the years 1890-1906, and was acclaimed as "a monumental achievement" that combines "careful historical scholarship and a high degree of accessibility." This volume completes the study up to the early 1930s and, like the other two works, has a transatlantic frame of reference. Though the book gives prominence to the theology and practice of divine healing in early Pentecostalism, it also discusses two other models of healing, the therapeutic and sacramental, promoted within sections of British and American Anglicanism. Some otherwise rigorous Fundamentalists were also prepared to practice divine healing. The text contributes more widely to medical and sociocultural histories, exemplified in the rise of psychotherapy and the cultural shift referred to as the Jazz Age of the 1920s. The book concludes by discussing the major role that divine healing plays in the present rapid growth of global Christianity.
